Kudos and Highlights

Sohum

Jeri Lynn

Went to the Friday Night Dance and had a great time! She also made pizza at her hubsite on Wednesday.

Noah

Went for a walk in the park by his house with his trainer Jackie. This week he will be participating in some 9/11 service events, including the First Responders breakfast on Sunday.

Anthony

Went to a carnival on Saturday and Sunday and went on rides. He also went to a Terarium making class, went to Stew Leonards and learned fruit facts. He also went to the food truck festival with my program and identified fire exits and fire extinguishers at his program.

Laura

Had a great time at Breakfast club on Saturday and got her nails done.

Patricia

Saw wild horses on an island, went to a lighthouse, and stayed at the Embassy Hotel in Virginia with a great ocean view. She also enjoyed a nice walk with her sister-in-law around the timeshare.

Michelle B

Had a great time last Sunday at the Mets Game and got a hat and had great seats. She also made pizza at the Wantagh hubsite, she saw her old boss, and saw the movie, "Paint". Finally, she had pizza with an old friend and went to an Arts & Crafts fair.

Gloria

Had a great week at Carle Place Hubsite. She loved music club on Thursday with Julie and enjoyed rehearsing for the fall concert with her virtual connection friends. Last but not least, she is ready for her Camp Loyaltown departure on Labor Day. She will have a beauty day on Sunday with a nice meal at Panera Bread with her worker Geri.
